**BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF SANTA FE;**

**Section 1. Section 21-8.1 SFCC 1987 (being Ord. #2013-29, §2) is amended to read:**

**21-8.1 Legislative Findings.**

The governing body of the city of Santa Fe finds that:

A. ~~[Most]~~ The majority of single-use plastic carry[-]out bags used for shopping do not

1 easily biodegrade [~~and instead~~] but rather persist in the environment for hundreds of years, slowly  
2 breaking down through abrasion, tearing and photo degradation into toxic plastic bits that then  
3 contaminate the soil and water [~~while entering the food web when animals inadvertently ingest these~~  
4 ~~materials~~].

5 B. It is the city's desire to [~~conserve resources~~] protect the environment, while [~~reduce~~]  
6 reducing waste, litter, and pollution [~~and~~] in order to help improve [~~protect~~] the public's health and  
7 welfare.

8 C. The litter problem resulting from single-use plastic carryout bags is becoming  
9 increasingly difficult to manage and has costly negative implications for tourism, wildlife and  
10 aesthetics.

11 D. [~~Even though~~] [~~s~~]Single-use paper grocery bags require more resources to  
12 manufacture, transport, [~~and~~] recycle, or dispose of than single-use plastic carry[-]out bags, [~~they~~] and  
13 although many of them are made from renewable resources and are less of a litter problem than  
14 single-use plastic carry[-]out bags, and are also recyclable, studies have shown that they have a  
15 limited number of times they can be recycled, require more energy to recycle, and take up more space  
16 in landfills than plastic bags.

17 E. To encourage the public to use reusable bags, [~~The~~] the Single-Use Carryout Bag  
18 Ordinance will eliminate the use of single-use plastic carryout bags and require all retail  
19 establishments within the jurisdiction of the city of Santa Fe to assess a service fee for each paper  
20 grocery bag they provide to customers. [~~by all retail establishments within the jurisdiction of the city~~  
21 ~~of Santa Fe and encourage the use of reusable bags.~~]
